MONSIGNOR MCHUGH SCHOOL MISSION STATEMENT:

Monsignor McHugh School is a Catholic school dedicated to addressing the spiritual and academic needs of its students. We strive to provide an environment that encourages educational, spiritual, and social growth. We pursue this mission by providing programs for students that enable them to become successful and responsible members of society in light of the Gospel values.

BELIEFS

We, the community of Monsignor McHugh School believe that:

- Education is the shared responsibility of the family, school, community, and government.
- As a Catholic school, we are open and welcoming to other faiths, cultures, and traditions.
- Monsignor McHugh School strives to encourage a lifelong commitment to the ministries of the Word, Worship and Service.
- Emphasis is placed on self-responsibility and independent achievement.
- Children are provided a safe atmosphere where they are accorded respect and dignity.
- To prepare students for a well-rounded life, they must be taught through word, action, and appropriate methods of student interaction.
- The relationship between teacher-student is guided by the model of Jesus, the Master teacher.
- Teachers accept and support the school mission/philosophy and in turn are accepted as educators with unique individual and professional backgrounds and experiences
- Recognizing the unique talents that each student possesses, we believe in a continuum of growth towards an active Christ-centered life.
- Students are encouraged to grow toward an informed and active life in both Church and society. We believe they must be able to integrate their faith and values into their daily lives.

MESSAGE TO PARENTS:

You have been called to an enormous responsibility to raise your children in a Christ-centered environment. The Lord has chosen you to be the primary educators of your children. Your strong belief in a Catholic education is evident by your child's presence at Monsignor McHugh School. We are grateful for your trust in our staff and the education we deliver.

To guarantee a quality education we ask you to join in a collaborative effort by reading the following directives. We have we expectations for your child in order to guarantee an educational environment of respect for person and property, socially approved behavior, and an enthusiasm to learn.

ABSENCE PROCEDURES:

When a child is absent, parents should call the school by 9:00 a.m. to report the absence. Upon return to school, students must bring in a written excuse signed by a parent, stating the reason for the absence. If a child is absent for more than three days, a doctor's statement is required as well as a certification that a child may return to school following an illness. Should a child be absent the day of a concert, musical, sporting event, etc. that child is NOT permitted to attend such events during school or after school.

The student is responsible for any make-up work from the teachers. Parents may call the office for a student's homework by 9:00 a.m. and will be able to pick up the work after 1:00 p.m.

ACADEMIC PROBATION

Students must pass all major coursework to be promoted. Any student failing two or more major subjects by the end of each quarter will be placed on Academic Probation. (See Diocesan Student-Parent Handbook for Specifics)

CAFETERIA:

We are pleased to have a hot lunch program for those students who wish to have a hot lunch. The cost per lunch, whether it is the hot lunch of the day, a PBJ sandwich, cold cheese sandwich, or pizza is \$3.00 a day. Students will purchase lunch tickets on a daily basis from 7:30 am until 8:00 am from the indoor concession stand in the morning. Should your child forget his/her lunch, your child will charge a lunch with the main office upon arrival to school.

Students in grades Pre-K through 8 may purchase an extra beverage as needed. Students in grades 4 through 8 may purchase a-la-carte menu items. Salad bar is \$4.00 and available to grades 3 through 8. Menus are available on Facebook and our website. They will also be sent home in the Family Envelope at the end of the prior month.

CLASS CELEBRATIONS

Should parents wish to hold birthday parties, or other social events, they must notify the teacher or school's main office in advance for approval. When bringing in cupcakes, or other treats for the class, please be aware of all food allergies. It is recommended that all food is individually wrapped and distributed during the child's designated lunch time.

COMPUTER/INTERNET USE POLICY

All students must use computer and internet-based equipment appropriately. See Detention Guidelines and Agreement for the use of Computers and Internet Access Parental Consent Form and Student Form. All parents and students in grades 4-8 must sign the Consent Forms and return them to the school's office at the start of each school year. Forms can be found at the end of this document.

COURSE FAILURE

Students must pass all major coursework to be promoted. Should any student fail one or more major subjects by the end of the school year, summer tutoring (by a certified teacher or through a summer school program) or retention is mandatory. A retention recommendation form must be signed by the parent/guardian. Should the parent choose to have their child tutored over the summer, 30 hours of tutoring with a final exam is required. After completion of said tutoring and exam, the failed coursework will be changed to a passing average of 70% on the permanent record card. (See Diocesan Student-Parent Handbook)

DETENTION

Students and parents will be notified via the conduct violation form, at least a week prior, of detention to be held after school each Thursday.

Detention begins at 2:15 and ends at 3:15p.m. and is held in the classroom of the teacher in charge that day. As part of the disciplinary process, students will complete any missed homework, read and write Bible passages during detention. If a student misses detention or cannot make that detention, he/she will have to make it up with a lunch detention the following day. Parents need to have someone available to pick their child up if they cannot do so. If any child is not picked up, they will be sent to Aftercare and the parent will be billed.

DETENTION GUIDELINES FOR GRADES 1-8

A teacher may give an infraction for a student action that causes disruption to the smooth operation of the school day. Once two warnings are accrued, a detention must be served.

After the accumulation of three detentions, an in-school suspension will be served. One in-school suspension will mean the loss of a special event or field trip, to be determined by the principal. After the accumulation of three detentions, the parent(s) will be called in to discuss the future enrollment of the student in the school.

Detention is held after school every Thursday, from 2:15 pm to 3:15 pm. Parents of a student who receives detention will be notified by the teacher or principal in the daily planner, email, or by a phone

call. The student is expected to serve his/her detention the Thursday after the Conduct Violation is received and returned signed by the parent/guardian. Arrangements must be made by the parents to pick up the student after detention or the student(s) will be sent to the aftercare program and charged. If a student cannot make a scheduled detention, then the student must make it up with a lunch detention.

Volunteer needs will be posted regularly in our weekly newsletter and on the Facebook page.

VIRTUS TRAINING

The Diocese of Scranton has mandated that anyone who in any way has affiliation with the Catholic School must receive the VIRTUS: Protecting God's Children training. This is a wonderful program that helps us to protect our children from physical and sexual abuse. All parents who intend to volunteer and work with our children must attend the workshop. They are also required to have their criminal record clearance, child abuse history clearance, and FBI fingerprinting. All four steps must be taken before a parent is allowed to work in the school.

Msgr. McHugh School has a Zero Tolerance Policy for all student misbehaviors. All students must be treated fairly and with the utmost respect. All behaviors that go against the Diocesan Student-Parent Handbook and the addendum will not be tolerated.
