**PARISH VERIFICATION FORM**

Required for all students of the Catholic Faith for the 2018-2019 Academic Year

The parishes of the Diocese of Scranton provide subsidies to our Catholic Schools to help provide a lower tuition rate to students who are active members of the Catholic faith. Catholic students and their families must be in good standing at the parish. This subsidy underwrites a significant portion of the education costs of the Notre Dame System.

PLEASE CONTACT YOUR PASTOR IN ADVANCE FOR THE PROCEDURES AT YOUR PARISH. It is customary to make an appointment with your Pastor for this purpose. Each parish may establish its own requirements that determine membership status which may include weekly attendance at Mass, participation in the Sacraments, financial support of the Church, and personal involvement in the Parish Life. Thank you for your cooperation.

**The reduced rate for families active at one of our supporting parishes will be given upon receipt of a signed pastor approval form. This credit will be prorated if the form is not received with the student's registration.**
