

PERMISSION TO PUBLISH RELEASE

Taking pictures and videos of students’ achievements and endeavors is a wonderful way of capturing a memory and promoting success at our school. With this increased usage comes greater responsibility to ensure the rights and safety of those included in the images are safeguarded. Throughout the year, there will be numerous occasions when we will be contacting local media outlets (newspapers, television stations, radio stations, etc.) in the hope of getting coverage for activities and events at **Monsignor McHugh**. We also plan to use photographs, video messages, sound recordings, and the work of our students for our own use. These images may appear during the year on various secular media outlets and Diocesan media, including but not limited to: The Catholic Light, Catholic TV, Diocese of Scranton website, and **Monsignor McHugh** website. Images and recordings could also appear in brochures, fliers, advertisements, on social networking sites such as Facebook, Twitter and Pinterest, as well as online video communities such as YouTube and Vimeo.

By checking the boxes below, you agree or do not agree to give **Monsignor McHugh** and the Diocese of Scranton permission to use your child’s image, in photograph or video, sound recording of their voice, and/or images of their academic work that reasonably promotes or advertises the school or diocese via:
