

What You Do MATTERS!!!

We are all fortunate to be a part of a school that is based on faith and family. For our bond of family and community to continue to flourish, we need **YOU!** One thing that makes MMS stand out from other schools is our desire to host events for our students. Living in the Poconos can be difficult at times for children. Our geography does not lend itself to playing out front with neighbors, or riding bikes to our school friends' houses. However, the events here at McHugh enable our students to get together outside of school hours. These times also allow our parents to get to know one another.

There are three events that we have scheduled over the next six weeks. And we need **YOU** to make them happen. At Back to School night, we had very few people sign up to be a committee chair person or committee member for the following events:

9/28 Movie Night

10/20 Monster Mash Dance

10/21 Barrett Halloween Parade

Remember what **YOU** do matters! This was evident at Back to School Night when we had 75% of our families in attendance. That was **AMAZING!!!**

Please reconsider making these events a reality for your children. **Fill out the form below and return ASAP.**

God Bless,
