

# Monsignor McHugh

MMS Families,

We have survived the first round of deep freeze and snow! Whereas I am sure we all love a snow-day once in a while, let's not hope for another snow-week. While I was thankful for a warm place to sleep and equally thankful that my power stayed on, when we returned to school I realized I was thankful for so much more! I was thankful for the smiles and "good mornings" that each of your children brought through the door. I was thankful to return to the laughter in the classrooms. And I was thankful to return to the McHugh faculty and staff. It's so important to sit back and think about what we are thankful for.

Peace & Love,

Dr. T
